

WIEDMANN & WINZ
POWER LOGISTICS

KEEP THE WORLD RUNNING

Wiedmann & Winz is one of the leading forwarding and logistics companies in Southern Germany. We have built a new truck service centre where not only our own trucks but also third-party vehicles, trailers and semi-trailers are serviced. Across brands! Whether it's diagnostic tools, a modern brake test stand or a lifting system that can lift entire trucks in seconds: Our workshop is at the very top of its technical class.
